

*Built in the 1850s, our age old stone house is nestled in the quaint suburb of Landour, with 'picture postcard' views of the Doon valley below and the majestic snow capped Himalayan mountain ranges literally 'just around the corner'.*

*Tabor Cottage has 5 cosy en-suite rooms with 15 single beds and one single Retro en-suite room (rooms are also available on a sharing basis). Enjoy the panoramic scenery from our Breakfast Room, Lounge and Study areas while studying or simply relax by the bay window watching the birds soar the blue skies above. We're just a stone's throw away from the Landour Language School and an easy stroll into the Landour bazaar.*

*At Tabor Cottage you're warmly welcomed as a guest, and will leave as a friend!*
